THE DESCENDANTS

OF

GEORGE LEWIS HESTON
and
ROSEANNA JANE SCHNEBLY

Compiled by Paul M. Heston
-1960-

1987373

George Lewis Heston was born October 3, 1867, at Mountsville, Morgan County, Ohio. He died March 4, 1925 at Lucas, Iowa. On January 1, 1890 he married Roseanna Jane Schnebly, who was born December 21, 1870.

There is a long line of descendants of George Lewis and Anna J. Heston, totaling one hundred and sixty persons, including; six sons, five daughters, twenty-five grandsons, twenty-two granddaughters, forty-two great grandsons, fifty great granddaughters, four great, great grandsons and six great, great granddaughters.

Not to be overlooked, are the all important "In-Laws", of which there are; six sons-in-law, six daughters-in-law, eighteen grandsons-in-law, sixteen granddaughters-in-law, six great grandsons-in-law and two great granddaughters-in-law, making a total of fifty four "In-Laws", or a combined total of two hundred and fourteen members of this family, excluding the parents.

The following records were personally verified with various members of the family on July 3rd, 1960, at the National Heston Reunion, held in Osceola, Iowa.

\$7.50 Dutton Feb 7-1978-8648

Family resides at Russell, R.D. #2, Iowa.

Children of John Lewis Heston and Nellie Newell Herndon:

- | | |
|--------------------------|--------------------|
| 19. Russell Lewis Heston | b. May 12, 1919 |
| 20. Doris Evelyn Heston | b. August 13, 1923 |

The first part of the paper discusses the importance of the study of the history of the United States. It is argued that a knowledge of the past is essential for a full understanding of the present. The author then proceeds to discuss the various factors that have shaped the development of the United States, including the role of the government, the influence of the economy, and the impact of the culture.

In the second part of the paper, the author discusses the role of the government in the development of the United States. It is argued that the government has played a crucial role in shaping the country's history, and that its actions have had a profound impact on the lives of its citizens. The author then discusses the various ways in which the government has influenced the development of the United States, including through its policies, its laws, and its actions.

The third part of the paper discusses the influence of the economy on the development of the United States. It is argued that the economy has played a crucial role in shaping the country's history, and that its actions have had a profound impact on the lives of its citizens. The author then discusses the various ways in which the economy has influenced the development of the United States, including through its policies, its laws, and its actions.

The fourth part of the paper discusses the impact of the culture on the development of the United States. It is argued that the culture has played a crucial role in shaping the country's history, and that its actions have had a profound impact on the lives of its citizens. The author then discusses the various ways in which the culture has influenced the development of the United States, including through its policies, its laws, and its actions.

The fifth part of the paper discusses the role of the individual in the development of the United States. It is argued that the individual has played a crucial role in shaping the country's history, and that its actions have had a profound impact on the lives of its citizens. The author then discusses the various ways in which the individual has influenced the development of the United States, including through its policies, its laws, and its actions.

The sixth part of the paper discusses the role of the future in the development of the United States. It is argued that the future has played a crucial role in shaping the country's history, and that its actions have had a profound impact on the lives of its citizens. The author then discusses the various ways in which the future has influenced the development of the United States, including through its policies, its laws, and its actions.

The seventh part of the paper discusses the role of the present in the development of the United States. It is argued that the present has played a crucial role in shaping the country's history, and that its actions have had a profound impact on the lives of its citizens. The author then discusses the various ways in which the present has influenced the development of the United States, including through its policies, its laws, and its actions.

The eighth part of the paper discusses the role of the past in the development of the United States. It is argued that the past has played a crucial role in shaping the country's history, and that its actions have had a profound impact on the lives of its citizens. The author then discusses the various ways in which the past has influenced the development of the United States, including through its policies, its laws, and its actions.
